9:00 AM, SATURDAY NOVEMBER 11TH, 2017

CHEMISTRY & FORENSIC SCIENCE BUILDING
1003 BOWERS BLVD, CFS 121
HUNTSVILLE, TX 77340

The Department of Forensic Science will host an Open House for all prospective graduate students.

The application deadline for the Masters and PhD in Forensic Science is December 31st.

During the open house you may:

- ☠ Tour our state of the art facility and instrumentation
- ☠ Talk with existing graduate students
- ☠ Visit with forensic science faculty
- ☠ Discover more about our FEPAC accredited Masters program
- ☠ Learn more about our brand new PhD program; the first of it's kind in the US
- ☠ Find out all you need to know about the curriculum, research and internships offered to our students
- ☠ Obtain information about the graduate admissions process

There will be a brief presentation and overview of the graduate program beginning at 9:00 AM. **Registration is required.** Please RSVP ONLINE at forensics.shsu.edu or call 936-294-2517 for more information.
