FORENSIC SCIENCE OPEN HOUSE

10:00 AM CST, SATURDAY NOVEMBER 7TH, 2020

HOSTED VIA ZOOM

The Department of Forensic Science will host a virtual Open House for all prospective graduate students.

The application deadline for the Masters and PhD in Forensic Science is December 31st.

During the open house you may:

- ☠ Experience a virtual tour of our state of the art facility and instrumentation
- ☠ Hear about the research endeavors of our forensic science faculty
- ☠ Discover more about our FEPAC accredited Masters program
- ☠ Learn more about our PhD program; the first of it's kind in the US
- ☠ Find out all you need to know about the curriculum, research and internships offered to our students
- ☠ Obtain information about the graduate admissions process

There will be a brief presentation and overview of the graduate program beginning at 10:00 AM. **Registration is required.** Please RSVP ONLINE at forensics.shsu.edu or call 936-294-2517 for more information.
